Agreement to provide AirFish WIG craft to Eurasia Mobility Solutions

At the Singapore Airshow, we signed an LOI with Eurasia Mobility Solutions to deliver up to 10 AirFish 8 Wing-in-Ground (WIG) craft with options for another 10, making them our launch customer for this coastal travel solution. Slated for certification and entry into the market by 2025, the AirFish 8 will serve Turkey's tourism and private transportation sectors.

Partnering Liebherr Aerospace and Transportation in A220 landing gear maintenance

By partnering Liebherr Aerospace and Transportation through an MOU, we aim to further the development of landing gear maintenance capabilities for Airbus A220 aircraft, enhancing our component MRO solution offerings to better serve operators' needs.

Celebrating twin milestones in Guangzhou, China

Our airframe MRO facility in Guangzhou recently commemorated two milestones. Together with our JV partners, we celebrated our 10th anniversary and opened our 4th hangar, which will soon induct an Airbus A330 aircraft to kickstart our first A330 P2F conversion in Guangzhou!
