Mr Teo Ming Kian, Mr Kevin Kwok Khien and Ms Song Su-Min are each considered an independent Director and Mr Tan Peng Yam is considered a non-independent and non-executive Director.

Resolutions 7 and 8 are to re-elect Mr Philip Lee Sooi Chuen and Ms Lien Siaou-Sze who will each cease to hold office pursuant to article 106 of the Constitution of the Company.

Mr Philip Lee Sooi Chuen will, upon re-election, continue to serve as a member of the ERCC, NC and SFC. Ms Lien Siaou-Sze will, upon re-election, continue to serve as a member of the AC. Mr Philip Lee Sooi Chuen and Ms Lien Siaou-Sze are each considered an independent Director.

Detailed information relating to each of the Directors who has offered himself/herself for re-election, as set out in Appendix 7.4.1 of the Listing Manual of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”), can be found on pages 17 to 18 of the Annual Report 2024.

Resolution 9

Resolution 9 is to approve the payment of an aggregate amount of up to S\$2,800,000 (2024: up to S\$2,500,000) as Directors’ remuneration for the non-executive Directors of the Company for the financial year ending 31 December 2025 (“**FY2025**”). The increase of S\$300,000 in Directors’ remuneration for FY2025 is attributable to the revision in the scale of fees payable to the non-executive Directors, which will take effect from FY2025 onwards (unless and until further revised). The revision is necessary to ensure a competitive level of Directors’ remuneration as the Group strives for sustainable growth and value creation. The scale of fees payable to the non-executive Directors was last revised in respect of the financial year ended 31 December 2018.

The revised scale of fees which is currently applicable can be found on page 91 of the “Non-Executive Director Remuneration” section of the Corporate Governance Report in the Annual Report 2024.

If approved, the proposal will facilitate the payment of Directors’ remuneration during or soon after the financial year in which such fees are incurred.

The amount of Directors’ remuneration for FY2025 is computed based on the anticipated number of Board and Board Committee meetings for FY2025, assuming attendance by all the Directors at such meetings. The amount of Directors’ remuneration for FY2025 also caters for additional remuneration (if any) which may be payable due to additional Board or Board Committee meetings (including ad-hoc meetings), or additional Board or Board Committee appointments in FY2025. If, for unforeseen reasons, payments are required to be made to the Directors in excess of the amount proposed, the Company will seek approval from shareholders at the subsequent Annual General Meeting in year 2026 (the “**2026 AGM**”) before any such payments are made.

It is currently intended that, if approved, the relevant non-executive Directors who hold office as at the payment date (except for those who hold public sector appointments and who will not be eligible for the shares component of the non-executive Directors’ remuneration) will each receive 70% of his or her Directors’ remuneration for FY2025 in cash and 30% of his or her Directors’ remuneration for FY2025 in the form of restricted share awards pursuant to the Singapore Technologies Engineering Restricted Share Plan 2020. The cash component of the Directors’ remuneration for FY2025 is intended to be paid half-yearly in arrears. The shares component of the Directors’ remuneration for FY2025 is intended to be delivered after the 2026 AGM has been held. The number of shares to be awarded will be determined by reference to the volume-weighted average price of a share on the SGX-ST over the 14 trading days immediately following the date of the 2026 AGM, rounded down to the nearest hundred, and any residual balance will be settled in cash. The award will consist of the grant of fully paid shares, with no vesting periods imposed. However, in order to encourage alignment of the interests of the Directors with the interests of shareholders, non-executive Directors are required to hold the shares for certain moratorium periods.

Please refer to pages 90 to 92 of the Annual Report 2024 for further details in relation to the non-executive Directors’ remuneration.

The exact amount of Directors’ remuneration received by each non-executive Director for FY2025 will be disclosed in the Company’s Annual Report 2025.

Special Business

Resolution 11

Resolution 11 is to empower the Directors to issue shares of the Company and to make or grant instruments (such as warrants or debentures) convertible into shares, and to issue shares in pursuance of such instruments, up to a number not exceeding 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company, of which up to 5% of the total number of issued shares (excluding treasury shares and subsidiary holdings) may be issued other than on a *pro rata* basis to shareholders. For the purpose of determining the aggregate number of shares that may be issued, the percentage of issued shares shall be based on the total number of issued shares (excluding treasury shares and subsidiary holdings) of the Company at the time that Resolution 11 is passed, after adjusting for (a) new shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which were issued and are outstanding or subsisting at the time that Resolution 11 is passed, and (b) any subsequent bonus issue or consolidation or subdivision of shares. As at 28 February 2025 (the “**Latest Practicable Date**”), the Company had 8,818,186¹ treasury shares and no subsidiary holdings.

Resolution 12

Resolution 12 is to empower the Directors to grant awards and to issue ordinary shares of the Company pursuant to the Singapore Technologies Engineering Performance Share Plan 2020 and the Singapore Technologies Engineering Restricted Share Plan 2020 (collectively, the “**Share Plans**”). The aggregate number of new ordinary shares allotted and issued and/or to be allotted and issued, when aggregated with existing ordinary shares (including ordinary shares held in treasury) delivered and/or to be delivered, pursuant to the Share Plans is limited to 5% of the total number of issued ordinary shares of the Company (excluding treasury shares and subsidiary holdings) over the ten-year duration of the Share Plans.

Resolution 13

Resolution 13 is to renew the mandate to enable the Company, its subsidiaries and associated companies that are considered to be “entities at risk” (as that term is used in Chapter 9 of the Listing Manual of the SGX-ST), or any of them, to enter into certain interested person transactions with specified classes of interested persons, as described in the Company’s Letter to Shareholders dated 26 March 2025 (the “**Letter**”). Please refer to the Letter for more details.

Resolution 14

Resolution 14 is to renew the mandate to allow the Company to purchase or otherwise acquire its issued ordinary shares, on the terms and subject to the conditions set out in the Resolution.

¹ Excludes 1,000,000 shares purchased by the Company on 27 February 2025 by way of market purchase on the SGX-ST which had not been credited into the Company’s securities account with The Central Depository (Pte) Limited as at the Latest Practicable Date.

The Company intends to use its internal sources of funds to finance the purchase or acquisition of its ordinary shares. The amount of financing required for the Company to purchase or acquire its ordinary shares, and the impact on the Company's financial position, cannot be ascertained as at the date of this Notice as these will depend on, *inter alia*, whether the ordinary shares are purchased or acquired out of profits and/or capital, the number of ordinary shares purchased or acquired, the price at which such ordinary shares were purchased or acquired and whether the ordinary shares purchased or acquired are held in treasury or cancelled.

Based on the existing issued ordinary shares as at the Latest Practicable Date, the purchase by the Company of 2% of its issued ordinary shares (excluding any ordinary shares held in treasury) will result in the purchase or acquisition of 62,273,540 ordinary shares.

In the case of both market purchases and off-market purchases by the Company and assuming that the Company purchases or acquires the 62,273,540 ordinary shares at the maximum price of S\$5.37 for one ordinary share (being the price equivalent to 5% above the average of the last dealt prices of the ordinary shares for the five consecutive market days on which the ordinary shares were traded on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of the 62,273,540 ordinary shares is S\$334,408,910.

The financial effects of the purchase or acquisition of such ordinary shares by the Company pursuant to the proposed Share Purchase Mandate on the audited financial statements of the Group and the Company for the financial year ended 31 December 2024 based on these assumptions are set out in paragraph 3.7.4 of the Letter.
